TRIANON PALACE
 VERSAILLES
 THE WALDORF=ASTORIA COLLECTION™

Succumb to the charm of
the Trianon Palace Versailles

The Trianon Palace Versailles,
 The Waldorf=Astoria Collection™
 is the new symbol of luxury
 and modernity at the very heart
 of one of the most prestigious
 destinations in the world.

In the unique setting of the Château and Gardens
 of Versailles, the Trianon Palace Versailles is an
 exceptional, historical site located in a 3-acre
 wooded park bordering the Royal Domain.
 The establishment's decor, which was designed
 by the interior designer Fiona Thompson, gives
 the site a soul and atmosphere that combines
 modernity with all the traditions of the "Grand
 Siècle."

A wide variety of cultural activities are available
 nearby to make your stay truly unforgettable.
 Only 20 minutes from Paris, you can easily
 go on shopping trips to the capital's luxury
 "boutiques" or visit its many Museums and
 Historic Monuments.

Unforgettable moments in its rooms and suites

The hotel proposes 199 rooms divided between the Pavillon and the Palace, 23 of which are suites and all have been recently redecorated. Here, elegance and style are of the essence with the Château providing a magnificent background on the horizon.

Let yourself be seduced by the charm of a breakfast in the romantic gardens redesigned by the internationally-acclaimed landscape architect

Louis Benech. Nobility of materials and elegance of harmony, the association of luxury with contemporary comfort reaches a pinnacle with the 250 m² Versailles suite or in one of the two large terraced-suites with panoramic views.

All rooms have state-of-the art equipment: flat television, cable/satellite TV, DVD player, broadband Internet connection, individually adjustable air-conditioning, smoke detector, safe, minibar. Spacious bathrooms decorated with mosaics. Handicap accessible rooms.

Art de Vivre and business

For meetings, 19 multi-purpose rooms are available for the most sophisticated of your events with capacity to receive up to 300 guests: gala dinners, fashion shows, public relations operations, etc. The Clémenceau Ballroom with its large terrace overlooking the park is a listed site. A Business Centre is available in the Palace.

“L’art du Soin” according to Guerlain

Located in a 2,800 m² Atrium dedicated to beauty, well-being and fitness, the sole purpose of the Spa Guerlain at the Trianon Palace Versailles is to rejuvenate and take care of you: 14 treatment cabins, 200 m² heated indoor swimming pool with solarium and a fully equipped gym; hairdressing salon; a sensory voyage in a world of subtle fragrances.
